

Texas Commission on Environmental Quality
On-Site Sewage Facility Program

Approved Product - Treatment Unit

Product Name: Aqua Aire
Model Name: AA500 - C
Manufacturer: Ecological Tanks, Inc.
Product Type: Treatment Unit
Capacity: 500

Contact: Ecological Tanks, Inc.
Address: 2247 Highway 151 N
Downsville, LA 71234
Phone: (318) 644-0397 (318) 644-0397
Website: <http://www.etiaquasafe.com/>

Technical Notes: Suffix C = concrete tank. Average influent wastewater characteristics were outside the 30-day averages specified by NSF/ANSI Standard 40, but were within the average for the overall test, supporting that mass loading of the influent was adequate. The 30 day effluent values were 10 mg/l or less with no effluent values discarded despite the influent variability.

Restrictions: Pretreatment tank required.

Certifying Agency: NSF International
Certification Standard: NSF Standard 40
